

Reaching Our Military in Guam

Praise & Prayer Request

As you remember, Joy went to the States, not expecting her mom to live. God raised her up, and she is now undergoing therapy in a nursing home, and prayerfully, will be returning home soon.

An unsaved Guard member died from a heart attack yesterday morning - pray for us as we will be trying to reach his family with the Gospel. The family name is Delfin. God bless!

Happy New Year, Jan, 2010

Hafa adai everyone! It's been an amazing and exciting year for us here on the little island of Guam! We saw 141 people saved with many of them following the Lord in Scriptural baptism. So far, since we arrived on Guam in August, 2008, there have been 337 souls saved. Thank God for His abundant blessings!

Whole Family Saved Today!

Today was the first Sunday of a new decade! Merlinda Solmirano accepted Christ a couple of weeks ago, and in this morning's services, she brought seven family members (pictured minus one) to see her baptized. ALL seven of them accepted Christ as their Saviour! Praise the Lord!

Baptism in the Ocean!

We had a baptism in the ocean this afternoon with 12 people added to the church by baptism. What a blessing! In this photo is the Borlongo family with a dad, mom and two sons. Also represented are two Guard couples - Jesse & Renae Flores, and Rodney & Jenesse Cepeda, and another Guard wife, Florence Lizama. The one Caucasian man is Ronald Edwards, who is in the Air Force. The other two are local ladies, Rita & Merlinda, from our area. Thank God for the opportunity He has given us to reach these dear people with the Gospel!

Thank you all so much for your prayers and financial support, without which we wouldn't be here. We appreciate your sacrifice for these island souls!
